## INDEPENDENT AUDITOR'S REPORT

To the Organization of Directors

Citrus, Levy, Marion Regional Workforce Development Board, Inc. d/b/a CareerSource Citrus Levy Marion

### Opinions

We have audited the accompanying financial statements of the governmental activities and the major fund of Citrus, Levy, Marion Regional Workforce Development Board, Inc. d/b/a CareerSource Citrus Levy Marion, as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise Citrus, Levy, Marion Regional Workforce Development Board, Inc. d/b/a CareerSource Citrus Levy Marion's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and the major fund as of June 30, 2024, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Citrus, Levy, Marion Regional Workforce Development Board, Inc. d/b/a CareerSource Citrus Levy Marion, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Citrus, Levy, Marion Regional Workforce Development Board, Inc. d/b/a CareerSource Citrus Levy Marion's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Citrus, Levy, Marion Regional Workforce Development Board, Inc. d/b/a CareerSource Citrus Levy Marion's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Citrus, Levy, Marion Regional Workforce Development Board, Inc. d/b/a CareerSource Citrus Levy Marion's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Required Supplementary Information**

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Organization, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### **Supplementary Information**

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Citrus, Levy, Marion Regional Workforce Development Board, Inc. d/b/a CareerSource Citrus Levy Marion's basic financial statements. The schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion the schedule of expenditures of federal awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

**Other Reporting Required by Government Auditing Standards**

In accordance with Government Auditing Standards, we have also issued our report dated January 23rd, 2025, on our consideration of Citrus, Levy, Marion Regional Workforce Development Board, Inc. d/b/a CareerSource Citrus Levy Marion's., internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Citrus, Levy, Marion Regional Workforce Development Board, Inc. d/b/a CareerSource Citrus Levy Marion's., internal control over financial reporting and compliance.

(the "Organization") provides an overview of financial activities for the fiscal year ended June 30, 2024. Please read it in conjunction with the financial statements which follow this section.

**FINANCIAL HIGHLIGHTS**

The following are various financial highlights:

- Overall net position increased by \$117,096
- Unrestricted net position at June 30, 2024, was \$444,211
- The Organization incurred total expenses for the year of about \$10,201,205, compared to revenues of approximately \$10,318,301

**OVERVIEW OF THE BASIC FINANCIAL STATEMENTS**

This discussion and analysis is intended to serve as an introduction to the Organization's basic financial statements. These basic statements consist of government-wide financial statements, fund financial statements and notes to the financial statements. The government-wide financial statements present an overall picture of the Organization's financial position and results of operations. The fund financial statements present financial information for the General Fund of the Organization. The notes to the financial statements provide additional information concerning the Organization's finances that are not disclosed in the government-wide or fund financial statements.

**Government-Wide Financial Statements and Governmental Fund Financial Statements** - All of the activities of the Organization are considered to be governmental activities. The Organization has no business-type activities, which are generally financed in whole or in part by fees charged to external parties for goods or services.

The *government-wide financial statements* provide both long-term and short-term information about the overall financial status of the Organization. These statements use a format similar to a private sector business and are presented on the accrual basis. They include a statement of net position and a statement of activities.

The first financial statement is the *Statement of Net Position*. This government-wide financial statement includes long-term information such as capital assets and long-term liabilities, if any. The amounts in this statement are accounted for using the accrual basis of accounting. Accrual accounting is similar to the accounting used by most private-sector companies. All of the current year revenues and expenses are recorded, regardless of when cash is received or paid. Net position, the difference between these assets and liabilities, is a useful way to measure the financial health of the Organization.

The second financial statement is the *Statement of Activities*. This statement includes all of the revenues and expenses of the Organization and reconciles beginning and ending net position.

- This government-wide financial statement includes all of the current year revenues and expenses, regardless of when cash is received or paid. The amounts in this statement are

accounted for using the accrual basis of accounting as discussed above. Over time, the increases or decreases in net position are useful indicators of whether the financial health of the Organization is improving or deteriorating. However, other non-financial factors, such as changes in population and in federal funding, must also be considered when assessing the overall health of the Organization.

The *governmental fund financial statements* provide information on the current assets and liabilities of the General Fund, changes in current financial resources (revenues and expenditures) and current available resources.

- The *General Fund Balance Sheet* focuses on events that produce near-term inflows and outflows of spendable resources as well as on the balances of spendable resources available at the end of the year. The amounts are accounted for using modified accrual accounting. Modified accrual accounting focuses on available cash and other financial assets that can readily be converted to cash. This provides a shorter-term view of the governmental fund's financial position.
- The *General Fund Statement of Revenues, Expenditures and Changes in Fund Balance* focuses on events that produce near-term inflows and outflows of spendable resources, as well as on the balances of spendable resources available at the end of the year. These amounts are accounted for using modified accrual accounting, as discussed above.

RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES  
IN FUND BALANCE OF THE GOVERNMENTAL FUND TO THE STATEMENT OF ACTIVITIES**

**FOR THE FISCAL YEAR ENDED JUNE 30, 2024**

Amounts reported for governmental activities are different because:

|  |             |
|--|-------------|
| Net change in fund balance - governmental fund   | \$ (54,877) |
| The governmental fund reports capital outlays as expenditures. However, in the statement of activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense. This is the amount by which depreciation exceeded capital outlay in the current period. | (109,700)   |
| Some expenses in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in the governmental funds. This amount represents the decrease in accrued compensated absences for the current period.                                   | 26,293      |
| Principal payments on long-term leases are not expended in the statement of activities   | 255,380     |
| Change in net position of governmental activities  | \$ 117,096  |

**CITRUS, LEVY MARION REGIONAL WORKFORCE DEVELOPMENT BOARD, INC.  
NOTES TO FINANCIAL STATEMENTS**

**FOR THE FISCAL YEAR ENDED JUNE 30, 2024**

**NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Financial Reporting Entity**

Citrus, Levy, Marion Regional Workforce Development Board, Inc. d/b/a CareerSource Citrus Levy Marion (the Organization) was incorporated as a nonprofit Organization on June 17, 1996; under the provisions of the Florida Not-For-Profit Organization Act set forth in Chapter 617, Florida Statutes. The Organization exists as a result of the passage of the Workforce Florida Act of 1996, as subsequently amended, and the Inter-local Agreement establishing the Citrus, Levy, Marion Workforce Development Consortium. The Organization has been determined to be a special district within the meaning of the Uniform Special District Accountability Act of the laws of the State of Florida. The Organization is a special-purpose government.

The purpose of the Organization is to fulfill those duties and responsibilities provided for by the Workforce Innovation and Opportunity Act, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, the Balanced Budget Act of 1997 and the Workforce Florida Act of 1996, as amended; consistent with the provisions of job training, job placement and benefit services to the citizens of Citrus, Levy and Marion Counties, Florida.

The governing Organization of the Organization is the Organization of Directors. As required by generally accepted accounting principles, the financial statements of the reporting entity include those of the Organization (the primary government unit) and its component units. There were no entities that required inclusion as a component unit within the Organization's financial statements.

**Basis of Presentation**

The basic financial statements have been prepared in conformity with the accounting principles and reporting guidelines established by the Governmental Accounting Standards Organization (GASB).

**Basis of Accounting and Measurement Focus**

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenditures are recorded when a liability is incurred, regardless of the timing of related cash flows.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Organization considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting.

However, expenditures related to compensated absences are recorded only when payment is due.

The Organization uses the following fund type - the General Fund. This fund is the Organization's only operating fund. It is used to account for all revenues and expenditures applicable to the general operations of the Organization. The fund is charged with all costs of operations.

### **Budgets and Budgetary Process**

The Organization of Directors adopts an annual operating budget, which can be amended by the Organization throughout the year. The budget is adopted using the same basis of accounting that is used to reflect actual revenues and expenditures.

### **Functional Allocation of Expenses**

The costs of providing the various programs and other activities of the Organization have been summarized on a functional basis in the Statement of Activities. Certain costs are allocated to the various programs and supporting services of the Organization based on the Cost Allocation Plan submitted to and approved by the U.S. Department of Labor. Costs that are directly related to the Organization's specific purposes have been recorded as direct expense and included as program services. Costs which are directly shared have been allocated among programs and supporting services based upon personnel activity reports or another allocation base which reflects the proportionate share of the benefits received. Indirect costs are allocated to benefiting programs based upon an indirect cost rate approved by the U.S. Department of Labor.

### **Receivables**

All receivables are reported at their gross value and, where appropriate, are reduced by the estimated portion that is expected to be uncollectible. No portion of receivables has been estimated as uncollectible by the Organization. All receivables are considered fully collectible.

### **Fund Balance**

Governmental funds report separate classifications of fund balance.

**Non-Spendable.** The non-spendable fund balance classification includes amounts that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact.

**Restricted.** The restricted fund balance is defined as having restrictions (a) externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments or (b) imposed by law through constitutional provisions or enabling legislation.

**Committed.** Committed fund balance is defined as amounts that can only be used for specific purposes pursuant to constraints imposed by formal action of the Organization's Organization of Directors.

**Assigned.** Assigned fund balance is defined as amounts that are constrained by the Organization's Organization of Directors' intent to be used for specific purposes, but are

neither restricted nor committed. The Organization has given the authority to assign fund balance to the Executive Director. Assigned fund balance includes spendable fund balance amounts established by the Executive Director that are intended to be used for specific purposes that are neither considered restricted or committed. Assignment of fund balance may be (a) made for a specific purpose that is narrower than the general purposes of the government itself; and/or (b) used to reflect the appropriation of a portion of existing unassigned fund balance to eliminate a projected deficit in the subsequent year's budget in an amount no greater than the projected excess of expected expenditures over expected revenues. Assigned fund balance shall reflect management's intended use of resources as set forth each year by the Executive Director. Assigned fund balance may or may not be appropriated for expenditure in the subsequent year depending on the timing of the project/reserve for which it was assigned.

**Unassigned.** Unassigned fund balance is the residual classification for the general fund.

It is the policy of the Organization that they will use restricted resources to the extent that they are available, then committed resources, followed by assigned resources. Once these are consumed, the Organization will then use unassigned resources. The Organization does not have a formal policy requiring a minimum fund balance.

### **Accounting Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures/expenses during that reported period. Actual results could differ from those estimates.

### **Property and Equipment**

Property and equipment acquired are recorded as expenditures in governmental funds and are stated at cost in the government-wide statements. Property and equipment are defined by the Organization as assets with an initial, individual cost of \$5,000 or more and an estimated useful life of more than one year. Depreciation has been recorded using the straight-line method over estimated useful lives of 3 to 20 years as follows:

| <u>Assets</u>             | <u>Years</u> |
|---------------------------|--------------|
| Office Equipment          | 7            |
| Miscellaneous Equipment   | 20           |
| Data Processing Equipment | 3 - 15       |

### **Pension Plan**

The provision for pension cost is recorded on an annual basis. The Organization's policy is to fund pension costs as they accrue. See Note 5.

### **Cash**

The Organization pools cash resources of its various programs to facilitate the management of cash. Cash applicable to a particular program is readily identifiable. The balance in the pooled cash accounts is held at a bank that is a member of the State of Florida pool for

pledging securities against fund deposits and is available to meet current operating requirements. As a result, the Organization has no need for a policy regarding deposit custodial credit risk.

**Prepaid Items**

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements. Prepaid assets are reported as “non-spendable” in the fund financial statements to indicate that prepaid amounts do not represent available expendable resources.

**Vacation, Sick Leave, and Other Compensated Absences**

The Organization's employees are entitled to certain compensated absences based on length of employment and other factors. With minor exceptions, compensated absences either vest or accumulate and are accrued when they are earned. Compensated absences are accrued at June 30, 2024, in the amount of \$321,610. See Note 4.

**Post Employment Healthcare Benefits**

The Organization does not provide post employment healthcare benefits except those mandated by the Consolidated Omnibus Budget Reconciliation Act (COBRA). The requirements established by COBRA are fully funded by employees who elect coverage under the Act, and no direct costs are incurred by the Organization.

**Fair Value of Financial Instruments**

The following methods and assumptions were used to estimate fair value of each class of financial instruments for which it is feasible to estimate that value:

Cash, Accounts Receivable and Accounts payable – Carrying amount approximates fair value due to the short maturity of these financial instruments.

**NOTE 2. GOVERNMENT-WIDE VS. FUND FINANCIAL STATEMENTS**

**Governmental Fund Balance Sheet to Statement of Net Position -** Amounts reported for Governmental activities in the Statement of Net Assets are different because:

**Capital assets -** Capital assets used in governmental activities are not reported in the governmental funds.

|                              |    |              |
|------------------------------|----|--------------|
| Cost of capital assets       | \$ | 408,236      |
| Accumulated depreciation     |    | (406,498)    |
| Right to use leased property |    | 1,965,431    |
| Accumulated amortization     |    | (1,957,287)  |
|                              | \$ | <u>9,882</u> |

**Long-term liabilities -** Long-term liabilities are not reported in the governmental funds.

|                      |                 |
|----------------------|-----------------|
| Compensated absences | <u>321,614</u>  |
| Leases payable       | <u>\$ 9,637</u> |

**Governmental Fund Revenues, Expenditures and Changes in Fund Balance to Statement of Activities** - Amounts reported for governmental activities in the Statement of Activities are different because:

Governmental funds report capital outlays as expenditures. However, in the Statement of Activities, the cost of those assets is depreciated over their estimated useful lives.

|   |                     |
|---|---------------------|
| Current year depreciation expense                         | <u>\$ (1,061)</u>   |
| Current year amortization of right to use leased property | <u>\$ (108,639)</u> |

An increase in compensated absences liability decreases net position, but has no effect on fund balance. A decrease in the lease liability decreases fund balance but has no effect on effect on net position.

|   |                   |
|---|-------------------|
| Current year net decrease in compensated absences | <u>\$ 26,293</u>  |
| Current year decrease in the lease liability      | <u>\$ 255,380</u> |

### NOTE 3. CAPITAL ASSETS AND DEPRECIATION

Capital asset activity for the year ended June 30, 2024, was as follows:

|                                       | Balance<br>July 1,<br>2023 | Additions           | Deletions   | Balance<br>June 30,<br>2024 |

#### NOTE 5. PENSION PLAN

The Organization authorized the establishment of a defined contribution benefit plan as governed by Section 403(b) of the Internal Revenue Code. All employees 18 years or older are eligible to participate. Employees may contribute to the plan by entering into a salary reduction agreement with the Organization. The Organization shall determine on an annual basis, at its sole discretion, the amount of employer contributions to be made to the plan for each plan year. Employee participants shall at all times have a fully vested and non-forfeitable interest in their account. The plan is administered by the Variable Annuity Life Insurance Company (Valic). The following is a schedule of contributions to the plan for the last three years.

| Year Ended<br>June 30 | Organization<br>Contributed |
|-----------------------|-----------------------------|
| 2020                  | \$ 189,400                  |
| 2021                  | 187,016                     |
| 2022                  | 173,845                     |
| 2023                  | 172,745                     |
| 2024                  | 153,950                     |

#### NOTE 6. LEASES PAYABLE

The Organization leases its home and field offices under operating leases with remaining terms of one to five years at various monthly rates. The option to extend beyond five years has been included in a number of these lease agreements. The Organization is responsible for insuring this personal property located in these offices.

In compliance with SGAS No. 87, *Leases*, the Organization carries both a lease asset and lease liability on its government-wide statement of net position. The lease asset is amortized on a straight-line monthly basis over the life of the lease. Amortization expense for the year ending June 30, 2024 was \$108,639.

A schedule of the present value of the leases, interest rates and terms follows:

|                    | Lease<br>Term | Initial lease<br>Liability | Monthly<br>Payment at<br>June 30, 2024 | Interest |
|--------------------|---------------|----------------------------|--|----------|
| Chiefland Location | 84 months     | \$ 228,039                 | \$ 3,231                               | 3.25%    |

The lease liability is amortized through the monthly lease payments made by the Organization. A portion of each payment is expensed as interest. The remaining amount of each payment goes to reduce the principal balance of the lease liability. The schedule below shows the annual interest expense and lease principal payments to maturity as of June 30, 2024:

| Fiscal Year<br>Ended | Interest | Principal | Total    |
|----------------------|----------|-----------|----------|
| 2025                 | \$ -     | \$ 9,637  | \$ 9,637 |

**NOTE 7. SERA RECONCILIATION**

Reconciliations of the Organization's financial records to the expenditures reported in the Subrecipient Enterprise Resource Application (SERA) are required to be completed monthly by the Organization for all awards from the Department of Economic Opportunity (DEO). These reconciliations were completed as required, and the Organization's financial records are reconciled with the reported expenditures in SERA for the year ended June 30, 2024.

**NOTE 8. COMMITMENTS, CONTINGENCIES, AND CLAIMS**

The Organization receives substantially all of its support through federal and state funding. A significant reduction in the level of this support, if this were to occur, would have an effect on the Organization's programs and activities.

Grants require the fulfillment of certain conditions set forth in the instrument of the grant. Failure to fulfill the conditions could result in the return of the funds to grantors. Although this is a possibility, the Organization and Management deems the contingency remote.

**NOTE 9. RISK MANAGEMENT**

The Organization is exposed to various risks of loss, including general liability, personal injury, workers compensation, and errors and omissions. To manage its risks, the Organization has purchased commercial insurance. Settled claims resulting from these risks have not materially exceeded commercial coverage in the current and previous three years.

**NOTE 10. FAIR VALUE MEASUREMENTS**

At June 30, 2024, the Organization had no assets or liabilities subject to disclosure of fair value measurements as to valuation levels hierarchy per Financial Accounting Standards Organization Statement No. 157.

**NOTE 11. RELATED PARTY BALANCES AND TRANSACTIONS**

The Organization has entered into contractual agreements with local colleges and community organizations, several of which have delegates on the Organization of Directors, to carry out its

training programs. All of the contracts were approved by the Organization of Directors in accordance with procedures established by the Florida Department of Economic Opportunity. These procedures require a two-thirds majority vote of the Organization of Directors in favor with the related party abstaining from the vote. Utilization of these training vendors is the decision of the individual participant. Payments made for these services were as follows for the year ended June 30, 2024:

| <u>Description</u> | <u>Amount Paid</u> |
|--------------------|--------------------|
| Outreach           | \$ 33,618          |
| Meetings           | 4,636              |
| Supplies           | 102                |
| Training           | 90,959             |
| Rent               | 167,649            |
|                    | <u>\$ 296,964</u>  |

**NOTE 12. INCOME TAXES**

The Organization has been granted an exemption from income taxes under Internal Revenue Code, Section 501(c)(3) as a nonprofit corporation. As required by Internal Revenue Service regulations, the Organization annually files a Form 990, "Return of Organization Exempt from Income Tax" with the Internal Revenue Service. The returns for 2024, 2023 and 2022 are subject to review and adjustment by the Internal Revenue Service. Management has evaluated the effect of the guidance provided by U.S. Generally Accepted Accounting Principles on Accounting for Uncertainty in Income Taxes. Management believes that the Organization continues to satisfy the requirements of a tax-exempt organization at June 30, 2024. Management has evaluated all other tax positions that could have a significant effect on the financial statements and determined the Organization had no uncertain income tax positions.

**NOTE 13. SUBSEQUENT EVENTS**

The Organization has evaluated events and transactions for potential recognition of disclosure in the financial statements through January 23rd, 2025, the date that the audit report was available to be issued.

**Note 14. Upcoming Accounting Pronouncements**

#### **SGAS No. 101 Compensated Absences**

In June 2022, the Governmental Accounting Standards Board issued SGAS No. 101, Compensated Absences. Under SGAS No. 101, compensated absences must be recognized for leave that has not been used and leave that has been used but not yet paid in cash or settled through noncash means. Unused leave includes leave for services already rendered, leave that accumulates, and leave that more likely than not will be used for time off or paid to the employee at some point in the future. Additionally, governments are now able to report year-over-year increases and decreases in compensated absences net of each other and disclose them in one lump sum in the notes to the financial statements. This standard is required to be adopted for the fiscal year ended September 30, 2025, but early adoption is encouraged. Management is evaluating the impact that this statement will have on the financial statements and other significant matters.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) and the Florida Department of Economic Opportunity's (DEO) Audit and Audit Resolution Responsibilities (AWI FG 05-019) issued August 12, 2005. Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Citrus, Levy, Marion Regional Workforce Development Board, Inc. d/b/a CareerSource Citrus Levy Marion and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. CareerSource Citrus Levy Marion's compliance with the compliance requirements referred to above.

#### **Responsibilities of Management for Compliance**

#### **Auditor's Responsibilities for the Audit of Compliance**

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Citrus, Levy, Marion Regional Workforce Development Board, Inc. d/b/a CareerSource Citrus Levy Marion's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, Government Auditing Standards, the Uniform Guidance and DEO Audit and Audit Resolution Responsibilities, will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Citrus, Levy, Marion Regional Workforce Development Board, Inc. d/b/a CareerSource Citrus Levy Marion's compliance with the requirements of each major federal program as a whole. In performing an audit in accordance with generally accepted auditing standards, Government Auditing Standards, and the Uniform Guidance, we:

Exercise professional judgment and maintain professional skepticism throughout the audit. Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Citrus, Levy, Marion Regional Workforce Development Board, Inc. d/b/a CareerSource Citrus Levy Marion's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.

Obtain an understanding of Citrus, Levy, Marion Regional Workforce Development Board, Inc. d/b/a CareerSource Citrus Levy Marion's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and DEO Audit and Audit Resolution Responsibilities, but not for the purpose of expressing an opinion on the effectiveness of Citrus, Levy, Marion Regional Workforce Development Board, Inc. d/b/a CareerSource Citrus Levy Marion's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

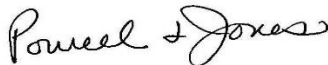

## Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

### **INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Organization of Directors  
Citrus, Levy, Marion Regional Workforce Development Board, Inc.  
Ocala, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and major fund of Citrus, Levy, Marion Regional Workforce Development Board, Inc. (the Organization) as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the Organization's basic financial statements, and have issued our report thereon dated January 23rd, 2025.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Organization's financial statements are free of material misstatement, we performed tests of its compliance with

certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
